CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

Boat Club Presents Second Water Show

The Pahokee Boat Club will present its second water show of the year on Lake Okeechobee Sunday, Sept. 27, at 2 p. m. weather permitting, according to plans completed at a business meeting and fish fry held by club members at the city park Tuesday night, with President James H. Wilson presiding.

The show will feature boat racing and water skiing. All registrants in the boat races must have their boats in the water by 12 noon for speed trials. The show will be under the direction of Joe Cherry.

The annual election of club officers was held during the meeting. W. E. (Billy) McKinstry was elected president; Louis Mims, vice president; Mrs. Jane Rieker, secretary, and Mrs. Alys Okie, treasurer.

It was announced the ski jump being built in the shop at the high school agricultural building under the supervision of Billy McKinstry and James Smith will be completed in time for the water show Sunday afternoon. All members were urged to pay their 1953-54 dues immediately.

Sam McKinstry, Jr., was in charge of the fish fry that preceded the business meeting.

Many Young People Enroll At Colleges

Young People of the Pahokee Canal Point area who have enrolled or are enrolling this month in colleges or special schools include Joann Platt and Lynn Shirley, Florida State University, Tallahassee; David Blech, Robert Baker, Willard McCurdy, Charles McCurdy, Dick Atkins, David Ramey, Hugh Watson, Glenn Boland, Eugene Buchanan, Don Adams, Roberta Hutton, John Rogers and Calvin Padgett, University of Florida, Gainesville.

Also Carney Wilder and Bill Hutton, Stetson University, Deland; Claude McLarty, Patsy Maxson, David McCoy, Alfred Meeks and Ronnie May, Florida Southern College, Lakeland; Louise Hutton and Gloria Stuart, Huntington College, Montgomery, Ala.; George Rozelle, Jimmy Rozelle, Millard Stanley and Robert DeLoach, Georgia School of Technology, Atlanta; Lewis Collins, Mars Hill College, Mars Hill, N. C.; Lewis Pope, Mississippi State University; Ann Atkins, Tulane University, New Orleans.

Also Harkness Duncan, Georgia Military College, Milledgeville, Ga.; Wayne Elliott, Bolles Military Academy, Jacksonville; Albert Graves, Young Harris College, Young Harris, Ga.; Don Beverly, Darlington Preparatory School, Rome, Ga.; Marie Sapp, Eleanor Walker and Carolyn Scruggs, Massey's Business College, Jacksonville; Joyce Lovell, Bell Iles Business College, West Palm Beach; Barbara Vertommen, Rosarian Academy, West Palm Beach.

Mrs. Harold Knistson is visiting her mother and other relatives in Boston, Mass.

Z. T. Ingram Wins Belle Glade Post

Z. T. Ingram was elected city commissioner from Centralboro in the runoff election for the post Tuesday in which 472 residents voted.

Mr. Ingram received 264 votes to defeat Howard Bair, who polled 203 votes.

In the Sept. 15 election, there were only seven votes between the two candidates with Mr. Ingram receiving 306 to Mr. Bair's 299.

Last week, H. L. Carlton, Northboro, and Herman Close, Westboro, incumbents were re-elected to the commission. Holdover commissioners include Harold Rabin, Northboro, and Walter Ashley, Centralboro.

Cemetery Group Submits Budget

Councilman Louis M. Mims, who represents the City of Pahokee on the Port Mayaca Cemetery Commission, submitted to the Pahokee City Council Monday night a budget, set up by the commission, of \$4,950.50 for operating the cemetery through the 1953-54 fiscal year. This budget must be approved by the cities of Pahokee, Belle Glade and South Bay, who recently reached an agreement for the joint operation of the cemetery.

Mims reported Mrs. H. M. McIntosh, Mrs. John T. Pickett and Mrs. C. L. Shirley of the Pahokee Canal Point Garden Club met with the commission and offered the club's assistance in the beautification program being planned for the cemetery. Mrs. McIntosh donated 140 royal palm seedlings for planting on the grounds. The Negro section is now being cleaned up and improved by a group of 24 volunteer workers representing local Negro civic and church organizations and as soon as their work is completed the Garden Club will begin its supervision of the beautification program. The Belle Glade Garden Club has also offered its assistance in this work, Mims said. In addition to the beautification program, the club will attempt to identify and place on markers the names of the flood victims who were buried in mass graves at the cemetery following the 1928 hurricane.

Mims also reported that S. J. Fisher of South Bay and Frank Thompson of Pahokee, acting as business managers of the cemetery will study the administration of their Florida cemeteries to determine the best method for operating the Port Mayaca burial grounds under the new tri-city control. One of the first official moves of the commission after the cemetery budget goes into effect will be to purchase additional grounds, according to Mims.

YOUNG PEOPLE ENJOY FELLOWSHIP PARTY

A group of 30 young people of the Canal Point Missionary Baptist Church enjoyed a recent steak supper and fellowship party at the Community Park building. Their pastor and his wife, the Rev. and Mrs. Joe Clements, were guests.

Blue Devils Play Pompano There

The Pahokee Blue Devils, still feeling the 32-6 clawing they received from the Clewiston Tigers in their opener last week, will travel to the lower East Coast this Friday evening to play Pompano, the newest member of the Suncoast Conference.

This is expected to be a close game, however, Coach Lou Morrell's Pompano eleven by virtue of its 24 to 0 victory over Punta Gorda last week is a slight favorite.

Heavy afternoon rains interfered with the Blue Devils training program this week as Coach C. Webb Pell tried to get them ready for the Pompano contest. Two of his players are laid up with injuries. Edwin Stuart, guard, suffered a fractured collar bone in the Clewiston game and Wayne Burdshaw, back, is still unable to practice because of an injured elbow.

The Blue Devil starting lineup will probably be the same as in the Clewiston game except Pat Turbevill will start at right end instead of Ronnie Elliott and Holten Herling will replace Edwin Stuart at right guard. The team will be accompanied to Pompano by a delegation of local football fans.

The opener against Clewiston last Friday night the Blue Devils appeared awed by the Tigers reputation of indomitable scoring power. Pell's men were unable to stop the visitors as they gained ground on practically every play after the start of the game and ran up 13 points in the first quarter, seven in the second, six in the third and six in the final quarter for a total of 32 points before Half back Buford Justice taking a handoff from Quarterback Robert Goodson broke loose through the left side of his line in the final minutes of the game and raced 71 yards for a TD, saving the Blue Devils from being completely blanked in their opener. Jimmy Lee Hoyle as line backer did some good work for the Blue Devils on defense. On the offense the Blue Devil line didn't seem to be able to throw effective blocks and open holes for the ball-carrying backs.

Baby Blue Devils To Open Season

The Pahokee Junior High baby Blue Devils will follow the footsteps of their seniors by opening their football season in a game with the Clewiston Tiger cubs, the opener to be played on Lair Field in Pahokee Tuesday, Sept. 29, starting at 8 p. m., according to Leland Keene, junior high coach.

Other games booked by Coach Keene for the season: Oct. 8, Okeechobee, home, 7:30 p. m.; Oct. 13, Belle Glade, home, 8 p. m.; Oct. 20, Clewiston, there, 8 p. m.; Oct. 27, Okeechobee, there, 7:30 p. m.; Nov. 12, Belle Glade, there, 8 p. m.

Meat production in the U. S. this year is expected to reach 23.7 billion pounds, the National Livestock and Meat Board reports. This represents a 3 per cent increase over the 1952 output.

Plan To Install Memorial Plaque

Progress on plans for installing a memorial plaque honoring veterans who died in World Wars I and II in the new Legion Home on East Main Street were reported by Howard Holman, past commander at a meeting of Pahokee American Legion Post 90 Monday night. At the time the plaque is installed the Legion Home will be dedicated to the war dead, Holman said.

It was also reported at the meeting that in spite of the rainy weather more than 300 persons were served at the public barbecue sponsored by Post 90 on the Legion grounds prior to the start of the Pahokee-Clewiston football game. The committee in charge will decide whether other pre-game barbecues will be held this season.

New Budget Set By City Council

The Pahokee City Council held a special meeting Monday night to work on the city's budget for the new fiscal year starting Oct. 1. After hearing the estimates of the financial needs of their various departments during the coming year, the Council set up a tentative budget of \$124,044.66 for operating the city and \$53,200.00 for operating the waterworks plant through the 1953-54 fiscal year. Unless certain revisions are found necessary, the Council will approve these totals and formally adopt the new budget at the regular meeting Monday, Sept. 28, at 8 p. m.

Councilman Dick Parrish, representing the Lions Club, presented to the city the two-unit resuscitator which was purchased recently through joint action of local civic groups. In addition \$109 in cash was presented to the city for the purchase of oxygen and for the maintenance of the life-saving device which will be located at the Florida Highway Patrol station in Pahokee, with city police to be in charge of its maintenance.

The Council voted to assist the Pahokee Boat Club in getting an emergency telephone installed at the city pier and authorized the use of the waterworks plant telephone for waterfront emergency calls until the installation is made by the utility company.

The budget for the Port Mayaca Cemetery, recently set up by the Cemetery Commission, was submitted to the Council for approval at the meeting by Councilman Louis M. Mims, who represents the city on the commission.

KATHLENE SELLERS INJURED AT SCHOOL

Kathlene Sellers, daughter of Mr. and Mrs. J. F. Sellers and seventh grade pupil at the Pahokee Elementary School, suffered a fractured wrist while playing on the school grounds. The accident occurred when one boy running after another collided with the girl, bending her hand back against her forearm.

Mr. and Mrs. C. R. Pentz have moved from 311 Banyan Ave., Pahokee, to Belle Glade where they are now making their home.

Coburn Store Sold To Harlan H. Sears

In a deal closed this week the Coburn Hardware store in Canal Point became the property of Harlan H. Sears, operator of Sears Standard Station in Canal Point. Mr. Sears took over operation of the store on Tuesday of this week. His son, Charles, will continue operation of the Service Station.

For 28 years the Coburn store has been one of the leading hardware stores of western Palm Beach county. For the past several years the Coburns have lived at Port Mayaca and during the past several months Mr. Coburn suffered a couple of heart attacks, necessitating his selling the store.

The new owner of the store is no stranger to the Everglades, having come here in 1929. He was connected with the sugar company for 14 years and for the past 10 years he has operated Sears Standard Service Station in Canal Point. This newspaper joins the many friends of Mr. Sears in wishing for him a successful business venture. Also this newspaper joins the many friends of the Coburns in wishing them long life and happiness, following 27 years of splendid service to this community.

Athletic Council Installs Restrooms

Bill Moss, who represents the Pahokee Lions Club on the Pahokee Athletic Council, has started a movement to have rest rooms built beneath the center section of seats on Lair Athletic Field, according to a report given at the Tuesday luncheon meeting of the Lions Club by Clyde A. Canipe, principal of Pahokee Schools and chairman of the club's education committee.

Work has already started on the project and it is hoped the rooms will be completed before Pahokee's next home football game on Oct. 9 when the Blue Devil play the Seacrest Seahawks. Much of the materials are being donated to the athletic department of the school and volunteer labor is needed and will be most welcome, Canipe said.

Robert J. Schroder, secretary, reported the Pahokee club attained its goal of 100 per cent attendance last week which was designated as Lions attendance week.

Manning I. Keen showed a film, "Fabulous Florida." President Curtis Chase presided.

44 COMPLETE GLADES TRAINING COURSE

Forty-four persons completed their courses at the Glades Training School which ended at the Pahokee First Methodist Church Thursday night of last week. The school was conducted by Dr. R. Tra Barnett and Miss Mary Calhoun both of Lakeland, and by Mrs. Inez White of Eau Gallie. They were assisted by Dr. and Mrs. Rembert A. Guy.

Mr. and Mrs. Frank O'Connell spent the weekend visiting their son-in-law and daughter, Mr. and Mrs. Frank Sganga and family at New Smyrna Beach.

Cinematic Chatter

By Malcolm Millar

Hello everybody. I want you to meet vivacious Mona Freeman. Talking to Miss Freeman it is difficult to say what quality about her attracts one most—her serene, classical-blond beauty or her ingratiating, charming manner. Above the average in intelligence, she handles dialogue brilliantly and flawlessly. Here are a few personality clues to this player: She dresses beautifully, preferring smartly tailored clothes and it is impossible to catch her when she isn't perfectly groomed. She has an infectious laugh and, possessing a keen sense of humor, uses that laugh often. She comes directly to the point on any subject and

wants others to do the same. She loathes people who beat around the bush to make a point. She reads extensively on any and all subjects and is both a baseball and football fan. She prefers plain-cooked American foods. She is a talented portrait painter, Paul Clements, with whom she studies, has high hopes for her but with Mona it is only a hobby although one that occupies many a waking hour. She is married and has a four and one-half year old daughter (also named Mona) who is the apple of her eye. An ash blonde, with hazel eyes, she stands five feet, four inches tall, and weighs 110 pounds. She has starred or been top-featured in 19 films. You'll see her in "Angel Face" real soon. See you at the movies—Mal.

Canal Point PTA Holds Reception

The Canal Point Parent-Teacher Association entertained at the school Monday night with a reception for the Canal Point School Teachers.

The refreshments table, covered with lace was decorated with arrangements of hibiscus blossoms and fern and had a crystal punch bowl surrounded by floral decorations as a centerpiece. Serving at the table as hostesses were Mrs. W. C. Young, Mrs. A. R. Harrington, Mrs. D. L. Hooks and Mrs. W. K. Buchanan.

Principal Clyde Alley, who teaches the eighth grade at the school, introduced the other teachers: Mrs. Alma Burr, first grade; Miss Mary Crosby, second; Mrs. Carl Crawford, third; Mrs. Billie Huddle, fourth; Mrs. Peggy Tsalickis, fifth; Carl Crawford, sixth, and Brooks Henderson, seventh. Each of the honorees was presented with a potted plant by Felix Slonsker, PTA president, in behalf of the association. Principal Alley was in charge of the music.

WMS TO HOLD IMPORTANT MEETING SEPTEMBER 28

Mrs. H. L. Speer, retiring president of the Pahokee First Baptist Woman's Missionary Society, urges all members to attend an important meeting of the WMS in the church Monday, Sept. 28, at 3 p. m. A re-drawing of names for circle membership during the coming year and other important matters will be taken up at the meeting, she said.

Will Nason Guest Speaker At Rotary

Attorney Will Nason, former Pahokee resident now living in West Palm Beach, was guest speaker at the Thursday luncheon meeting of the Pahokee Rotary Club last week.

In observance of Constitution Day, the speaker chose "The Constitution of the United States and Bill of Rights" as the subject of his talk, and explained the necessity of amendments to the Constitution. He said the final draft of the Constitution was agreed upon by our ancestors on Sept. 17, 1787, years ago and was adopted two years later. He called this remarkable instrument of political wisdom "the civil Bible to Americans." Nason was introduced by the Rev. W. Hal Hunter.

Thadd Whidden, vice president, who presided in the absence of President O. B. McClure, named Bob Apgren to represent the club at the District 243 conference in the Key Biscayne Hotel, Miami, Nov. 8-10.

Introduced as out-of-town visitors were Dr. Ira Barnett of Lakeland, Bill Estese, Jr., of Puerto Rico, Doug Thulberry of Lake Wales and Joe Freedlund of Belle Glade.

88 RECEIVE ARC CERTIFICATES

A total of 88 ARC swimming and life-saving certificates were issued to persons who enrolled in the swimming classes at the municipal pool in the Pahokee city park during the summer recreation program, according to Leland Keene, manager of the pool and director of the classes.

GIRL SCOUT COUNCIL TO DISCUSS AREA PLANS

An area plan for the Girl Scout Council will be discussed and outlined at a meeting in the Girl Scout Hut in Belle Glade Tuesday, Sept. 29, at 3 p. m. All persons interested in Girl Scout work are urged to attend. The area Council includes representatives from Palm Beach and Martin Counties and Clewiston.

Gainesville dentists are giving five years of free dental care to school children in grades one to six, to study the effects on their teeth of the city's fluoride-treated water.

Defense is your job, too!

THIS IS A DAY OF DREAMS COME TRUE... for the returning Korean War veterans pressing against the ship's rail and for their loved ones waiting on the dock. The counted days of waiting are over, the nightmare of war is behind them. These boys have seen far across the seas doing a hard, dirty, bloody job... a job of defense—for you.

But defense is your job, too. It is our job to help make America's economy as strong and dependable as these men have made her military power. And your job can be not only easy but rewarding—in financial security for you and your family. Just buy U.S. Defense Bonds. Buy them now and buy them regularly. For your bonds and other forms of saving can make America strong. And in this warring world, strength is America's surest guarantee of peace.

So sign up for bonds today—through the Payroll Savings Plan where you work or the Bond-A-Month Plan where you bank. For your security and your country's, too, buy United States Defense Bonds regularly!

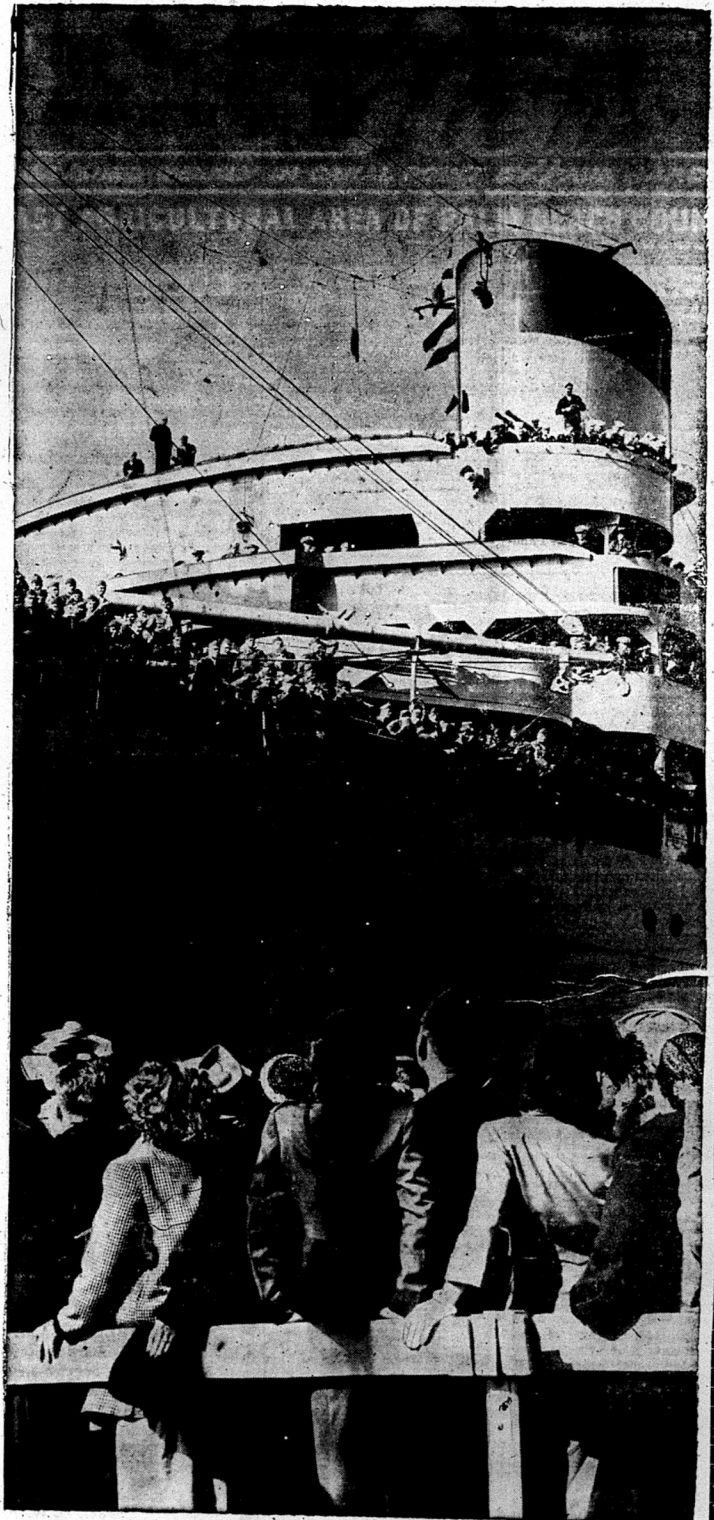

The U. S. Defense Bonds you buy give you personal financial independence

Don't forget that bonds are now a better buy than ever. Because now every Series E (Bond) you own can automatically go on earning interest every year for 20 years from date of purchase instead of 10 as before! This means that the bond you bought for \$18.75 can return you not just \$25—but as much as \$33.33! A \$37.50 bond pays \$66.66. And so on. For your security, and your country's too, buy U. S. Defense Bonds now! Bankers recommend them as one of the safest forms of investment.

**Peace is for the strong...
Buy U.S. Defense Bonds now!**

PERSONAL NEWS NOTES

Mrs. Colvin Herring has returned to Pahokee after a two-month visit with her husband who is stationed at the Lowry Air Force Base, Denver, Colo.

Jack Phillips, who has been engaged in crop dusting by plane at Fairfax, S. C., this summer, is expected to return to Pahokee in one of his planes this week. Jack Verhulst left Tuesday for Fairfax to bring back Phillips' pickup and equipment.

Mr. and Mrs. Bobby Phillips of Wauchula, who spent the weekend here with relatives, have rented the Wouters residence on Barfield Highway, and are moving to Pahokee next week.

Second Lt. Clarence Langford, USAF, visited his wife and his mother, Mrs. Eylee Keen, in Canal Point while on a two-week leave before being transferred from Valdosta, Ga., to San Francisco, Calif.

Miss Hazel Chaney and Miss Betty Bush spent the weekend in Cocoa where they were the guests of Miss Beckman, former instructor of girls physical education at Pahokee High School.

Bobby Schroder has returned to Denver, Colo., after spending a 15-day leave from the U. S. Air Force with his parents, Mr. and Mrs. Robert J. Schroder, in Pahokee.

Dr. and Mrs. L. W. Armstrong had as guests Sunday their son and daughter-in-law, Mr. and Mrs. Alvin Armstrong, and sons of Hialeah.

Mrs. Frank Friend and Mrs. H. M. McIntosh, members of the Hibiscus Circle of the Pahokee-Canal Point Garden Club, recently gave talks over the Belle Glade radio station, WSWN, on the propagation and care of hibiscus.

Mr. and Mrs. Gerald Tibbetts visited relatives and friends in Moore Haven and Immokalee Tuesday.

Dr. Rembert A. Guy has chosen "The Kind of God We Need" as the subject for his sermon at the morning worship service of the Pahokee First Methodist Church Sunday.

Mrs. G. M. Jaudon has returned to Tampa after spending a week in Pahokee visiting Mr. and Mrs. Wiley Tillis.

Mr. and Mrs. Colquitt S. Davis and son have returned home after spending the summer at Benton Harbor, Mich.

Mr. and Mrs. Leonard Maxson and children spent the weekend in Princeton, Fla., visiting her mother, Mrs. B. L. Mathis, who is convalescing after a recent severe heart attack.

at the waist. Her fingertip veil was attached to a Juliet cap of lace and nylon net edged with tiny seed pearls. She carried a nurse's prayer book, received as a gift when she enrolled four years ago in the School of Nursing, Jackson Memorial Hospital. The book was entered with a white orchid and had white satin streamers.

Miss Myra June Baxter, sister of the bride and maid of honor, wore a deep blue and silver iridescent taffeta dress of ballerina length and carried a nosegay bouquet of white carnations.

The bridesmaids were Miss Evelyn Albrecht of Miami, Miss Barbara Jean Jernigan of Orlando and Miss Donna Joe Spooner of Pahokee. Their dresses, styled similarly to that of the maid of honor, were of red-blue iridescent taffeta and their gloves and shoes were of navy blue. They also carried nosegays of white carnations.

H. B. Baxter, uncle of the bride, was Mr. Ogle's best man. Richard Ogle, brother of the bridegroom, Robert E. Secker and Clarence Langford served as ushers.

Mrs. Baxter chose for her daughter's wedding a moss green crepe dress with three-fourth sleeves, white accessories and purple orchid corsage and Mrs. Santee, the bridegroom's mother was in a

short-sleeved lavender novelty nylon dress with full skirt, white accessories and a corsage of pink sweetheart rosebuds.

A reception was held at the church following the ceremony. Those assisting were Mrs. Jimmy Merrell, Mrs. Olive Chancellor, Mrs. Marvin Levins and Mrs. C. R. Wetherington, Jr.

Following their wedding trip which will include a tour of South Florida, Mr. and Mrs. Ogle will make their home in Norfolk, Va., while he is stationed at that base by the U. S. Navy. At present, he is assigned to the USS Destroyer J. W. Weeks and is scheduled for release from the Navy in June, 1954. He reports back for duty at Norfolk on Sept. 28. Mrs. Ogle, who completed a four-year course at the School of Nursing, Jackson Memorial Hospital, Miami, on Sept. 12, plans to take the State Board examination for registered nurses at Norfolk in the near future.

Baptist WMS Circles Held Joint Meeting

A joint meeting of the Elsie Knight and Helen Hayes Circles of the First Baptist Woman's Missionary Society was held at the home of Mrs. Hal Hunter Tuesday afternoon, with Mrs. Dave W. Young, chairman of the Elsie Knight group, presiding.

A worship program on stewardship was presented by Mrs. John Hutton. A report on community mission work accomplished during the past year was given by Mrs. C. L. Shirley and the report on mission study activities through the year was made by Mrs. Hunter.

It was announced a general meeting of the WMS will be held at the church Monday, Sept. 28, at 3 p. m., with Mrs. H. L. Speer presiding. A drawing of names for circle membership during the coming year will be conducted at this meeting. Mrs. Mary Hammond was a visitor.

Births

Mr. and Mrs. John Nelson (Marlene Williams) of St. Augustine announce the birth of a son, John William, Jr., at a hospital in that city, Sept. 23. Mr. and Mrs. J. E. (Jake) Williams of Canal Point are the maternal grandparents.

Mr. and Mrs. Earl Moss of Belle Glade announce the birth of a son, Robert Ernest, at the Everglades Memorial Hospital, Sept. 17.

Mr. and Mrs. Nolan Ebanks of Belle Glade announce the birth of a son, Richard Nolan, at the Ever-

glades Memorial Hospital, Sept. 17. Mr. and Mrs. Allen Rust of San Juan, Puerto Rico, announce the birth of a daughter, Melissa Ann, at a hospital in that city on Sept. 22. Mr. and Mrs. Frank O'Connell of Canal Point, the maternal grandparents, learned of the arrival of their new granddaughter soon after the big event Tuesday through a ham radio operator of West Palm Beach.

The possibility of a German test of citrus juice dispensers has been seen by Florida Citrus Mutual officials following a request from a Frankfurt firm for samples of the machines which it thought would be "very popular over here."

Clara Baxter Weds John Newton Ogle

Miss Clara Louise Baxter, daughter of Mr. and Mrs. Haywood Baxter, former Pahokee residents now living in Okeechobee, became the bride of John Newton Ogle, son of Mr. and Mrs. Claude T. Santee of Canal Point, in a double ring, candlelight ceremony held at the Pahokee First Baptist Church Thursday, Sept. 17, at 4:30 p. m., with the Rev. W. Hal Hunter, pastor of the church, officiating.

The church altar was decorated with baskets of white gladioli against a bank of palms and fern and was lighted by white tapers in branched candleabra. A lighted candle surrounded by fern was at each window.

Nuptial music, including the traditional wedding march, was played by Mrs. H. C. Graham, pianist. Mrs. Z. T. Ingram of Belle Glade sang "Because" and "O, Promise Me."

The bride, given in marriage by her father, wore a white taffeta gown of princess style with full ballerina skirt. The bodice had three-fourth sleeves with small cuffs scooped-out neckline with softly rolled collar and there were petals of sequins and seed pearls

DO YOU REMEMBER?

HAPPENINGS IN THE LAKE OKEECHOBEE REGION

25 YEARS AGO

Not less than 800 persons lost their lives as the result of the tropical hurricane which last Sunday swept over this area, inflicting damages as yet untold. This is according to revised estimates of the death toll, announced last night by Howard Shelby, general Red Cross chairman. Already 537 bodies have been buried at various points, figures compiled by Adjutant General Collins of the state troops revealed.

Workers, pushing daily into the water-covered area along the northern and eastern shores of Lake Okeechobee, are finding more bodies, now five days dead, and in condition which makes transportation almost impossible. Boats are pushing their way over the debris-covered waters, into lagoons and slough, and are towing bodies to concentration points where they await disposition.

The task of clearing the lake and the near-lying areas of the dead is a tremendous one. Hundreds of men are engaged in this grim work. In addition to the human toll, there was an uncountable loss of animal life. Forms of rabbits and other small animals and snakes are everywhere. Fish by the millions are dying in the lake, poisoned by the polluted waters.

That there is scant danger of an epidemic of disease in the immediate area of West Palm Beach as a result of this fearful life loss is the statement of Dr. B. L. Arms of the state board of health, who is in the city. Bodies of the dead, he points out, should be buried in dry ground, and when this is accomplished all needs of sanitation have been met.

Relief workers who have labored in the 'Glades section for days are worn out. They need to be replaced by others, for they have almost reached the limit of human endurance. In many instances there are inadequate sleeping accommodations for these workers. Additional cots have been requisitioned, with blankets and clothing. Food supplies are available in plenty and in the stricken towns the water supply is said to have been rehabilitated. The great need is for workers and for means of spreading disinfectants.

Doyle Carlton, governor-elect, arrived in West Palm Beach late last night with \$10,000 in cash in his pocket for the immediate relief of people in the stricken territory as far as the fund will go. It will be dispensed without ostentation or hesitation where he thinks it will do the most good. The money was raised personally by the governor-elect after he had taken his first look at a section of the devastated area as he found it in Okeechobee county and in Okeechobee City.

More than 60 white persons are known dead at Miami Locks, Ritta and South Bay, with the list from the first two being complete, it was reported by Red Cross and American Legion officials last night. The Miami Locks and Ritta death list totaled 24 with the possibility that it would increase, it was said. An incomplete report of hurricane victims of South Bay mounted to 37 with more bodies located which have not been reached.

Bodies have become badly decomposed in the mixed heat of sunshine and dampness of ground from flood and rain and are now in horrible condition, it was said. Many bodies have become so badly decomposed that it has become impracticable to attempt to recover them from the swamps, the officials pointed out. Dr. F. L. Tatam of Claxton and others agreed that the negro casualties would be approximately five times that of the white. Seventeen bodies were found on three farms in this section in about three hours, by three rescuers, Frank Studie and Arthur Wells, farmers of that vicinity.

Branding the narrow locks and the tardy opening of them in the West Palm Beach canal between West Palm Beach and Lake Worth as a positive menace to the safety of lives in the Everglades and a detriment to agricultural progress, there, the Lions club at luncheon at the Elks club today named a committee to talk to Gov. John W. Martin when he returns to West Palm Beach from the western area this afternoon. It was the expressed opinion of the club that this committee, which is headed by President A. C. Fordham, ask the governor and the Internal improvement board to destroy these locks immediately as an emergency measure. The committee also was instructed to ask the governor to bring about state control of the highway leading to the east shores of the lake at Canal Point, which has been turned over to public travel free of charge by W. J. Conner in the emergency; and when the emergency ceases, that the highway again be returned to its owner in a condition no worse than when taken over by the state.

The Southern Bell Telephone and Telegraph company is making every effort to restore service in all sections of Palm Beach and West Palm Beach as promptly as possible. However, in some sections service can be restored sooner than others, in accordance with the amount of damage. Service was restored almost immediately in such places as Red Cross offices and hospitals, a private branch exchange having been put into operation in the Red Cross headquarters. Gangs were brought from Georgia, Alabama, Louisiana and Tennessee and they are now at work clearing up the debris and restoration of service will follow immediately. Other gangs were started from South Carolina, but due to the local damage of windstorms they were turned back to care for local conditions.

Members of the Isaak Walton League in the state of Florida last night were requested by Fred C. Stuck, secretary of the league, in an appeal sent through radio and news channels, to bring or send all available outdoor motor boats to this city to maintain communication and continue relief between the coast and Glades area. Red Cross officials turned to Mr. Stuck to secure boats of shallow draft. Rising waters between Belle Glade and Pahokee and West Palm Beach severed highway communication between cities late yesterday afternoon, it was reported.

L. B. Bailey, of West Gate, former chief of police of West Palm Beach was registered at the Methodist church yesterday afternoon with the right side of his face badly battered and with foot injuries. Mr. Bailey sought shelter in his garage in West Gate Sunday after his home was destroyed. Shortly after entering the building it went to pieces under the force of the wind. The former chief was picked up and whirled in the air three times, he said, before something struck him and he lost consciousness.

The county engineer of Okeechobee county has been laid off and laborers' wages reduced to \$2.50 a day and foreman to \$3.

What People Say—Carl Shold of Canal Point, also known as Louie, etc.; "If any man in middle age is bald-headed and has false teeth it is because he don't eat the right kind of food. The United States government has sent men around telling people what to eat for good health. You should eat cabbage to keep your teeth right." Frank Friend of Pahokee: "We don't do things thoroughly enough, not substantial enough; much of what we do is slipshod, like the

Pahokee drainage district." (Just then a shower came on and the reporter had to leave before he could say that things probably will be done better when the people get in better financial condition.)

S. W. Powell of Pahokee: "I never again will vote for a judge who doesn't smoke cigarettes. A judge who smokes will adjourn court once in a while and lean back and get a few whiffs himself and give the other fellows a chance, too."

William Bloom, a Pahokee town councilman: "The mayor has received a letter giving notice that after October 1 the town is expected to keep up the roads in the municipal limits. There is a good deal of the Bacom Point road in the town limits and the road is in bad shape and it will cost a lot to maintain it."

The Florida attraction, Ponce de Leon Springs, has been built entirely around a camera. Every corner is put together with photography in mind, and everything possible is done to help the amateur photographer obtain good pictures.

Christian Science Group Of Canal Point

Christian Science church services next Sunday will stress the fact that reality is spiritual. "REALITY" is the subject of the Lesson-Sermon.

A verse from Philipians (4:8) provides the Golden Text: "Whatsoever things are true, whatever things are honest, whatever things are just, whatever things are pure, whatever things are lovely, whatever things are of good report; if there be any virtue, and if there be any praise, think on these things."

Included among Bible citations is one from John (1:3) "All things were made by him; and without him was not any thing made that was made."

Correlative selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "All reality is in God and His creation, harmonious and eternal. That which He creates is good, and He makes all that is made" (p. 472).

Wayne Burdeshaw Heads FFA Chapter

Wayne Burdeshaw was elected president of the Pahokee Chapter, Future Farmers of America, at a meeting at the school Monday night to re-organize the chapter for the new school year.

Other new officers elected were Terrel Echols, vice president; Tom Arceneaux, secretary; Buford Justice, treasurer; Darryl Davis, reporter, and Farris Kincaid, sentinel.

Richard L. Brooks, chapter advisor, briefly outlined tentative plans for the Pahokee chapter during the new school year. It was announced members who pay their dues before Oct. 31 will have a chance to win an FFA jacket, which is an annual membership award.

Sunday School Class To Raise Funds

The Esther Sunday School Class of the Canal Point Methodist Church met Tuesday night at the home of Mrs. N. V. Maxson and made plans to launch a fund-raising project through the collection and sale of old newspapers and magazines. Anyone interested in this project and willing to assist by donating their old newspapers and magazines is asked to contact Mrs. Leonard Maxson, telephone 3851, who will have them picked up.

Mrs. E. F. Hollon was elected vice president at the meeting to fill the vacancy left by the resignation of Mrs. A. D. Enfinger. The group voted to change their regular meeting date to the third Monday of every month.

Mrs. Frank Wilson was in charge of the devotional program. It was announced Mrs. W. K. Buchanan and Mrs. C. L. Stuart will be hostesses at the next meeting to be held in the Sunday School building at the church. This meeting to be followed by a Halloween party. Mrs. Maxson was assisted with the serving of refreshments at the conclusion of the meeting by Mrs. Angus Sims, co-hostess.

Miriam Circle Plans Annual Project

Mrs. D. W. Cunningham presented the program, "Christian Nurture in the Home," at the meeting of the Miriam Circle, First Methodist WSCS, at the home of Mrs. Lloyd Hundley, with Mrs. E. F. McIlwain, co-hostess, Mrs. Myers Fountain gave the history of the hymn, "Blessed Be the Tie That Binds," which was sung by the group. Mrs. Jack Phillips was in charge of the devotionals.

In a report on the circle's project for the year, the maintenance of the parsonage and church, it was announced Mrs. Jack Phillips, who recently donated a baby bed in charge of the purchase of a new boudoir chair for the parsonage. Mrs. Fountain was appointed to represent the circle in assisting Mrs. Robert Hatton with the Happy Helpers mission group of children.

Mrs. Alyce Tyson was welcomed as a new member and Mrs. R. A. Guy and Mrs. Arch Blakey were introduced as visitors.

Margery Lair Circle Holds Meeting

Members of the Margery Lair Circle, First Methodist WSCS, at a meeting at the home of Mrs. J. V. Thomas Monday afternoon, with Mrs. William McClenithan, co-hostess, discussed plans for carrying out their project for the new year, the welcoming of new residents to the community.

Named to represent the circle on WSCS committees were Mrs. J. V. Thomas, Happy Helpers mission group of children; Mrs. Emma Wheeler, spiritual life; Mrs. M. P. Holman, Christian social relations, and Mrs. C. A. Major, student work.

Mrs. C. A. Canipe presented the program and Mrs. G. W. Byrd, Sr., was in charge of the program.

The Gulf Life Insurance Company of Jacksonville has adopted a plan which calls for students to enroll in Stetson University to work for a degree of bachelor of science in business administration to develop future leaders for the company.

Methodist WSCS Has Two New Members

Mrs. Don Hall and Mrs. William Plumer joined the Mary Martha Circle, First Methodist WSCS, as new members at a circle meeting at the home of Mrs. Louis Davis Monday night, with Mrs. J. G. Thomas, Jr., co-hostess.

Mrs. E. J. Graham, chairman, named Mrs. W. A. Slauter and Mrs. R. W. Sanders to represent the circle on the WSCS Happy Helpers committee. Other circle members named by Mrs. Graham on WSCS committees were Mrs. L. L. Shirley, student work; Mrs. Jess M. Elliott, church flowers; Mrs. R. F. Hurt, study book and church greeting.

Mrs. Jess Elliott presented the program, "How to Maintain Good Humor," and Mrs. Sanders gave the devotionals.

Lions Club Plans To Welcome Veteran

A film in color, "Fabulous Florida," was shown to Canal Point Lions at their dinner meeting in the Community Park building Monday night by Clyde Alley, principal of the Canal Point School.

Floyd Erickson reported he represented Canal Point at a recent meeting in Belle Glade to make plans for welcoming Kenneth Bass, Korean War prisoner returned by the Chinese Reds, who is expected to return to his home in Belle Glade sometime this week. Residents of the entire Glades area are joining in big welcome being planned for Bass upon his return, Erickson said.

Plans To Beautify Church Grounds

Plans for improving and beautifying the grounds of St. Mary's Catholic Church on East Main St., Pahokee, were discussed by members of St. Mary's Advisor Society at a meeting at the home of Mrs. George Mead Monday night.

Those planning to attend the Deannery meeting in Lake Worth in October were asked to contact Mrs. F. M. Shaughnessy, chairman in charge of arrangements for transportation. It was announced Mrs. A. L. Vertommen will be hostess at the next meeting of the society at her home Monday, Oct. 19, at 8 p. m.

Rudd-Melikan, Inc., manufacturers of automatic coin-operated coffee dispensing machines, has completed arrangements for distribution of Minute Maid Corporation orange juice in their machine.

Careful Drivers Being Penalized By Insurance Rate

TAMPA—In a survey made among its 28,000 members to determine reaction of motorists relative to the seriousness, in their opinion, of various motoring problems, the Tampa Motor Club, affiliate of the American Automobile Association, learned that 92 percent of those replying pointed to the failure of automobile insurance companies to lower liability rates for drivers with long accident-free records. As it stands now, good careful drivers are being penalized for the benefit of careless and reckless drivers.

Another point brought out in the survey was the laxity of law enforcement against reckless and drunken driving and the tendency to let off such offenders with a small fine or a reprimand.

The Tampa Motor Club asked the last legislature to provide a mandatory 10-jail sentence for drunken drivers.

Gay Confers With Bank Officials

Orlando — State Comptroller C. M. Gay conferred with officials of the Florida Bankers' Association last week with reference to the present livestock situation and loans for cattlemen.

The conferees were of the opinion that the problems confronting Florida livestock producers were not insurmountable and that those banks which have been working with the cattlemen in extending credit would continue to do so in the future.

James G. Richardson, chairman of the Agricultural Committee of the Bankers Association, said:

"We are all agreed that we do not want relaxation or leniency in

bank examinations insofar as livestock credit is concerned; the policy agreed upon is not out of line with good, sound supervisory practices and sound bank examination principles."

STRIKE AT TAMPA

TAMPA — Production virtually stopped last week in the two big can manufacturing plants operated here by the American Can Company and the Continental Can Company while the majority of workers attended Union meetings. A dispute arose as to the methods used in training maintenance personnel at a Continental plant now under construction at Winter Garden. No strike has been declared and the only explanation by Union officials is that "workers were attending a continuous union meeting."

*Uncle Sam made the bonds you own
an even better bargain!*

Now your maturing Series E Bonds can earn interest 10 more years at 3%

PRESENT TREASURY REGULATIONS make it possible for you to collect a return of as much as 80% on the Series E Savings Bonds you already own!

For now those Bonds which you invested in 10 years ago can go right on earning interest for ten more years without your doing a thing about it! That is true not only of the Bonds which you have held for ten years, but any other Series E Bonds which you have invested in in the meantime. And any Series E Bonds which you obtain now will also enjoy the extended earning period. They will start earning interest sooner and mature earlier, too, paying 3%, compounded semiannually.

The Bond you got for \$18.75 can now pay you \$33.67 ... a \$37.50 Bond will be worth \$67.34 ... and so on.

Of course, any Series E Bond may still be redeemed at any time after you have held it for two months. But, like any other form of saving, your Bonds will mean a great deal

more to you if you can hold on to them.

Are you one of the millions of Americans who are saving regularly with Savings Bonds through the Payroll Savings Plan? If you're not, why not start now? Invest regularly in Bonds through the Payroll Savings Plan where you work. Ask your pay office to save as little as 25c a week for you, or as much as you are able.

If you can save just \$5 a week regularly through the Plan, in five years you will have \$1,367.90 ... in 9 years and 8 months, you'll have \$2,860.70 ... and in 19 years and 8 months, \$6,872.45! This Plan is one sure way to save because it saves something out of every check before you have a chance to spend it.

So join the Payroll Savings Plan where you work today. Or, if you are self-employed, start the Bond-A-Month Plan where you bank. It's safe, it's sure, it's automatic. And you will be helping yourself and your country!

If you want to be paid
your interest as current income—
invest in 3% Series H

If you want a good, sound investment which pays you your interest by check every six months, ask at your bank about United States Government Series H Bonds. Series H is a new, current income Bond available in denominations of \$500 to \$10,000. Redeemable at par after 6 months and on 30 days' notice. Matures in 9 years and 8 months and pays an average 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Series H may be purchased at any bank, annual limit \$20,000.

Now even better! Invest more in Savings Bonds!

The U. S. Government does not pay for this advertising. The Treasury Department thanks, for their patriotic donation, the Advertising Council and

PTA Selects Room Mothers Chairmen

Mrs. Clyde A. Canipe, general room mother chairman for the Pahokee Parent-Teacher Association, called a meeting of mothers of school children at the school Tuesday afternoon for the annual selection of room mothers chairmen.

Room mother chairmen named for the new school year: Mrs. James Holden, for Mrs. Myrtle

Brooks' first grade room; Mrs. Jack Phillips, Mrs. Sue Shirley's first grade; Mrs. Sam McKinstry, Jr., Mrs. Kathryn Cunningham's second grade; Mrs. Leo Maxwell, Mrs. Myrtle Johnson's second grade; Mrs. Lloyd Hundley, Mrs. Reba Golden's second grade; Mrs. E. C. Watson, Mrs. Cleo Douthitt's third grade; Mrs. Ernest Maxwell, Mrs. Peggy Willis's third grade. Mrs. E. L. Pope, Mrs. Clara Maurer's fourth grade; Mrs. Herman Kautz, and Mrs. Billy McKinstry, Miss Elizabeth Caraway's fourth grade; Mrs. C. C. Cobb, Mrs. Sarah Thomas's fifth grade; Mrs. Terry Sellers, Mrs. Charlotte Walston's fifth grade; Mrs. Robert Mackey, Mrs. Tommie Lee DuBose's sixth grade; Mrs. Bill Plumer, Mrs. Elsie Sims' sixth grade; Mrs. J. V. Thomas, Mrs. J. R. York's seventh grade; Mrs. K. T. Rockwell, Mrs. A. I. Davis and Mrs. Terry Sellers, Miss Geraldine Hicks' and Marvin Thompson's ninth grade; Mrs. Jess Elliott, Mrs. Sable Walcott's and Ned Kocher's tenth grade; Mrs. William Howard, Mrs. Herbert Miller and Mrs. R. F. Hurt, Miss Constance Smith's eleventh grade.

Plans for the year were discussed and the room mothers decided to sponsor only three regular parties for children of the elementary school during the year, at Easter, Christmas and the end of school. Other special parties during the year are to be worked out by the individual groups of children and their room mothers and teacher.

The 100 per cent PTA membership drive was endorsed by the room mother group and each room mother chairman was asked by Mrs. Norman Kennedy to visit her room at the school prior to PTA meetings to become better acquainted with the room teacher and the school curriculum.

James W. Vann, PTA ways and means chairman who is in charge of arrangements for the annual PTA Halloween carnival, was present at the meeting to explain the carnival setup. He urged each school room to sponsor a booth at the carnival and report the type of booth being planned to the carnival committee as soon as possible.

In closing the meeting Mrs. Canipe stressed the importance of close cooperation between the mothers and the teachers in order that the children gain the most out of the new school year.

Beta Omicron Chapter Conducts Meeting

At a meeting of the Beta Omicron Chapter, Beta Sigma Phi Society, at the home of Mrs. Melvin Spooner, with Mrs. Frank Handley, co-chairman, presiding. It was announced Mrs. Jack Phillips has been named chairman of the chapter's project of testing by audiometer the hearing of local school children, replacing Mrs. Earl Crossman who recently resigned.

Other new chairmen of standing committees named at the meeting were Mrs. Max Beverly, ways and means; Mrs. Melvin Spooner, year book; Miss Dorothy Chastain, Mrs. Edward A. Jensen and Mrs. Colquitt Davis, school for exceptional

children; and Mrs. Glenn Abbing, yardstick.

Mrs. Duncan Padgett was named hospitality chairman at a meeting of the Mabel Simonson Circle, First Methodist WSCS, at the home of Mrs. W. A. Howell Monday afternoon, with Mrs. Susie Renfro, co-hostess. Mrs. Robert J. Schroder was appointed chairman of the committee in charge of the circle's project for the year, "Mission Work Among the Shut-ins."

Mrs. Rembert A. Guy and Mrs. Howell gave reports on the WSCS seminar which they attended recently in Delray Beach together with Mrs. A. D. Beverly, Mrs. Frank Friend and Mrs. Renfro. Mrs. Guy presented the program, "Importance of the Bible."

Announcing A Change In Ownership Of Coburn Hardware, Canal Point

— TO —

Sears Hardware

HARLAN H. SEARS, Owner-Manager

Effective Tuesday, September 22, 1953

We Appreciate 28 Years Of Splendid Patronage

We wish to take this opportunity to thank the thousands of folks in the Everglades who have made our business a success during the past 28 years. Without this splendid patronage we would not have built such a successful hardware business here in Canal Point. Once more may we sincerely say that we appreciate the consideration you have given us through the years. We bespeak for Mr. Sears a continuance of the service which we have rendered and trust that his association with the fine folks of the Glades will be as pleasant as ours has been.

COBURN HARDWARE
C. G. Coburn

We're Looking Forward To Continued Patronage

With this announcement the Coburn Hardware is under new management and we earnestly solicit your continued patronage of this store. We assure you that under this new management we will do all in our power to see that you get the same splendid service that you have been so accustomed to in the past. We plan to add many lines in order that your wants may be filled no matter what they may be in the hardware line. Having been a part of the Glades since 1929 we are no strangers among you. We look forward to seeing you in our store.
